EDI Version 5010 Acute Care and Long Term Care Companion Guides Now Available

Information posted March 25, 2011

This is an update to the article titled "Electronic Data Interchange Version 5010 Implementation Reminder," which was published on January 28, 2011, on this website.

The EDI version 5010 companion guides for acute care and long term care services are now available on the EDI Version 5010 Companion Guides web page.

Providers should e-mail their questions and support requests to EDI5010Support@tmhp.com.
