

Some 2011 HCPCS Reimbursement Rates Established for the CSHCN Services Program

Information posted June 3, 2011

Reimbursement rates have been established for some annual 2011 Healthcare Common Procedure Coding System (HCPCS) procedure codes for the Children with Special Health Care Needs (CSHCN) Services Program. The reimbursement rates apply to claims with dates of service on or after January 1, 2011. When affected claims are reprocessed, providers may receive additional payment, which will be reflected on Remittance and Status (R&S) Reports.

The reimbursement rates in the following tables are effective for dates of service on or after January 1, 2011:

[Ambulatory Surgery Center Services](#)

[Clinical Laboratory Services](#)

[Durable Medical Equipment \(DME\) and Supplies Services](#)

[Laboratory Services \(including technical component and professional component\)](#)

[Medical Services – Drugs](#)

[Medical Services – Non-Drugs](#)

[Radiology Services](#)

[Surgery Services](#)

Note: The age ranges that are included in the following tables reflect the rate for a child (birth through 20 years of age), an adult (21 years of age or older), or a client of any age. The tables may not reflect specific age limitations that may limit services to a narrower client age range. To obtain specific age limitations for individual procedure codes, providers can refer to the current *CSHCN Services Program Provider Manual*, *CSHCN Services Program Provider Bulletins*, *Current Procedural Terminology (CPT)* coding manual, or *Healthcare Common Procedure Coding System (HCPCS)* coding manual.

For more information, call the TMHP-CSHCN Services Program Contact Center at 1-800-568-2413.
