

Call for Provider Claims Submissions

Information posted June 9, 2011

Providers are encouraged to submit all claims for dates of service on or before June 24, 2011, by 7 p.m. on June 24, 2011, to maximize the amount of funds that the state can claim at the enhanced American Recovery and Reinvestment Act of 2009 (ARRA) rate before it expires June 30, 2011.

Note: *This request will not affect the reimbursement providers receive for the rendered services. The state is requesting this courtesy from providers; however, claims may continue to be submitted as usual after 7 p.m. June 24, 2011.*

ARRA is an economic stimulus bill that includes provisions for additional funding for supplements to social welfare programs.
