

# Reimbursement Rates to Change for Some DME Procedure Codes for the CSHCN Services Program September 1, 2011

Information posted August 31, 2011

Effective for dates of service on or after September 1, 2011, the Children with Special Health Care Needs (CSHCN) Services Program reimbursement rates will change for some durable medical equipment (DME) procedure codes.

The table that begins on the following page includes the changed DME reimbursement rates that will be effective for dates of service on or after September 1, 2011. Rate increases are presented in green, and rate decreases are presented in red. The age ranges that are indicated for the rates in the tables reflect the rate for a client of any age. The age ranges may not reflect a specific age limitation that has been established that may limit services to a specific client age. To obtain specific age limitations for individual procedure codes, providers can refer to the current *CSHCN Services Program Provider Manual*, *Current Procedural Terminology (CPT)* coding manual, or *Healthcare Common Procedure Coding System (HCPCS)* coding manual.

**Note:** *The rates in the table do not include any current or future rate reductions that may be applicable.*

For more information, call the TMHP-CSHCN Contact Center at 1-800-568-2413.
