

Place of Service Changes for Clinician-Directed Care Coordination Services – CCP

Information posted January 27, 2012

Effective for dates of service on or after February 1, 2012, additional places of service will be valid for clinician-directed care coordination services.

The procedure codes in the following table will be a benefit of the Comprehensive Care Program (CCP) when the services are performed in the home, office, inpatient hospital, outpatient hospital, skilled nursing facility, nursing home, or other setting by a physician, physician assistant, nurse practitioner, or clinical nurse specialist provider:

Procedure Codes						
99339	99340	99358	99359	99367	99374	99375
99377	99378	99379	99380			

For more information, call the TMHP Contact Center at 1-800-925-9126.
