Proposed Reimbursement Rates Change for Some Procedure Codes to Be Effective July 1, 2012

Information posted May 25, 2012

Effective for dates of services on or after July 1, 2012, rates may be adjusted for some procedure codes. The proposed reimbursement rates were presented at a public rate hearing that was held on May 15, 2012. Providers are encouraged to refer to the TMHP website for more information as it becomes available.

For more information, providers may refer to the HHSC rate analysis web page at http://www.hhsc.state.tx.us/rad/rate-packets.shtml.
