Initial Reimbursement Rates and Reimbursement Rate Changes Proposed for January 1, 2013, for Texas Medicaid

Information posted November 30, 2012

At a public rate hearing on November 14, 2012, the Texas Health and Human Services Commission (HHSC) presented proposed reimbursement rates for some procedure codes to be effective for dates of services on or after January 1, 2013.

The proposals would change some rates in the following categories:

- Medical nutrition therapy
- Type of service 1 (medical services), 2 (surgery), I (professional) and T (technical) components
- Vaccine and toxoids (shingles)
- Hearing aids
- Ambulance services
- Case Management for Children and Pregnant Women
- Early and Periodic Screening, Diagnosis and Treatment dental services

For more information, providers may refer to the HHSC rate analysis web page at www.hhsc.state.tx.us/rad/rate-packets.shtml.

Additional details will be published on this website as they become available.
