Holiday Reminder to LTC Providers
Information posted December 21, 2012

Attention all LTC providers: There are planned MDS, MN/LOC, 3618, 3619 form batch processing downtimes during the holiday season (December 24-26, January 1st). Due to this scheduled down time, you may notice that your form is in a ‘SAS Request Pending’ status for more than 5 business days during this period. Normal forms processing should resume the night of January 2, 2013.
