

# Correction to the 2013 HCPCS Special Bulletin Replacement Procedure Codes

Information posted February 1, 2013

This is a correction to the *2013 Healthcare Common Procedure Coding System (HCPCS) Special Bulletin*. The HCPCS Procedure Code Additions section, which begins on page 23, should be labeled “2013 HCPCS Procedure Code Additions” instead of “2012 HCPCS Procedure Code Additions.”

The Procedure Code Additions table includes the following procedure codes, which are incorrectly marked with an asterisk to indicate that a rate hearing is required. The procedure codes listed below are replacement codes that do not require a rate hearing:

Replacement Procedure Codes						
J0178	J0485	J0716	J0890	J1741	J9019	J9042
Q4131						

All of these procedure codes are correctly included in the Replacement Procedure Codes table on page 39 of the bulletin.
