Local Authority Preadmission Screening and Resident Review (PASRR) Workshop Video Now Available

Information posted May 20, 2013

A video of the TMHP Long Term Care (LTC) Local Authority Preadmission Screening and Resident Review (PASRR) workshop that was presented in Austin, Texas on May 1, 2013, is now available. Providers can access the recording on the TMHP Learning Management System (LMS) as follows:

1. Go to the TMHP LMS by clicking on the following link: http://learn.tmhp.com.

2. Log in to your LMS user account or create a new user account. New visitors to the LMS can access the training materials immediately after they register.

3. Use your cursor to hover over Provider Education in the top menu bar, and choose “Workshop Materials” from the drop-down menu.

4. Click the “View Now” button that appears below the Local Authority Preadmission and Resident Review Workshop Video listing.

Registered LMS users can access computer-based training, past webinars, and workshop materials at any time. If you have any questions, or have problems viewing the video, refer to the help menu on the LMS or send an email to TMHP Training Support.
