Preadmission Screening and Resident Review (PASRR) Submission on the LTC Online Portal

Information posted May 14, 2013

Effective May 27, 2013, Local Authority providers must begin submitting PASRR Level 1 Screenings and PASRR Evaluations on the LTC Online Portal.

Providers must have a password to access the LTC Online Portal. Providers can request LTC Online Portal passwords by calling the TMHP EDI Help Desk at 1-888-863-3638.

Providers are encouraged to read the Long Term Care Local Authorities Preadmission Screening and Resident Review Workshop User Guide, which is available on this website. Click here to read the User Guide.

Providers can also review the training workshop video on the Learning Management System (LMS) at http://learn.tmhp.com.

For more information, continue to monitor the DADS PASRR website at http://www.dads.state.tx.us/providers/pasarr/redesign/index.html.
