ICD-10 News: CMS ICD-10 Resources

Information posted June 21, 2013

Providers, payers, and vendors can refer to the Centers for Medicare & Medicaid Services (CMS) website for resources to help prepare for the implementation of *International Classification of Disease, Tenth Revision* (ICD-10). Providers can refer to the article titled, “ICD-10 News: CMS ICD-10 Resources,” on the Noridian Medicare website.
