

Update: Initial Reimbursement Rates for 2013 HCPCS Codes for Some ASC Services Delayed Until July 3, 2013

Information posted July 3, 2013

This is an update to an article titled "[Initial Reimbursement Rates for 2013 HCPCS Codes for Some Ambulatory Surgery Center Services to Be Implemented June 27, 2013](#)," which was published on this website on June 14, 2013.

The initial reimbursement rates for some 2013 HCPCS ambulatory surgery center services were implemented on July 3, 2013, instead of June 27, 2013, as planned.
