

Reimbursement Rate Changes for Some Texas Medicaid Services to Be Effective September 1, 2013

Information posted August 2, 2013

Effective for dates of service on or after September 1, 2013, reimbursement rates will change for some Texas Medicaid services. The changes were presented at a public rate hearing on July 17, 2013.

The reimbursement rate changes will be applied to some procedure codes in the following categories:

- Ambulance services
- Anesthesia services
- Eye and ocular adnexa surgery
- General and integumentary system surgery
- Physician-administered drugs (non-oncology)
- Physician evaluation and management services
- Substance use disorder services

Affected procedure codes and reimbursement rates will be published in a future article.
