September Nursing Facility/Hospice Workshop
to be Delivered as a Live Presentation

Information posted September 4, 2013

The Nursing Facility/Hospice Workshop scheduled for September 17, 2013, in Lubbock, Texas will be delivered as a live presentation. This live format will enable providers to ask questions during the presentation. The Nursing Facility (NF)/Hospice Workshop includes information designed to assist Long Term Care (LTC) NF/Hospice providers in submitting forms and assessments accurately and with greater efficiency. This workshop details how to use the LTC Online Portal to complete and submit Forms 3071, 3074, 3618, and 3619; Long Term Care Medicaid Information (LTCMI) associated with the Minimum Data Set (MDS), and includes education on the Preadmission and Resident Review (PASRR) process. To register for this live workshop, go to the Workshop Registration page of www.tmhp.com. Click Providers, then click Provider Education, and then click Workshop Registration. Workshop hours are from 9:00 a.m. until 4:00 p.m. Sign in begins 30 minutes prior to the start of the workshop.

Note: Individuals with special needs who require auxiliary aids or services should call TMHP at (512) 506-7810 for assistance with these arrangements.
