PASRR Evaluation (PE) Changes Coming Soon

Information posted February 19, 2014

On February 28, 2014, the Preadmission Screening and Resident Review (PASRR) PE will reflect changes to Section C to align with the federal regulation for PASRR. Additionally, the PASRR Negative Letter will be updated to include information about why an individual has been determined not eligible for PASRR specialized services and provide information on how to request a Fair Hearing if they disagree with the denial of their PASRR eligibility.

Additional information about Fair Hearings can be found in the Long Term Care Local Authorities Preadmission Screening and Resident Review (PASRR) Workshop User Guide, which is available on this website.
