DSH, UC, DSRIP, and Indigent Care Expenditures Survey

The Health and Human Services Commission (HHSC) is conducting a survey to collect information from providers who received expenditures related to the following programs during federal fiscal year 2013 (October 1, 2012, through September 30, 2013): Disproportionate Share Hospital (DSH), Uncompensated Care (UC), Delivery System Reform Incentive Payment Pool (DSRIP), and Indigent Care.

All providers who received these funds are required to complete this survey, which can be found at the following link: [http://registration.hhsc.state.tx.us/UplDshPeSurvey.aspx](http://registration.hhsc.state.tx.us/UplDshPeSurvey.aspx).

The survey begins April 21, 2014, and must be completed and submitted to the HHSC Rate Analysis Department (including mailing or emailing the certification page to the HHSC Rate Analysis Department) no later than 5 p.m. Monday, June 2, 2014. HHSC will compile and submit a report detailing each hospital's individual response to the Texas Legislature. If a provider does not complete the survey, the provider will be listed in the report as non-responsive.

This survey was conducted previously for fiscal year 2011 under Rider 46 of the 2012-2013 General Appropriations Act, and the results can be found on the HHSC website under the Rate Analysis for Hospital Services section.
