

Changes to the TMHP AnyConnect Group Selection Drop-Down Menu Effective June 1, 2014

Information posted May 21, 2014

Effective June 1, 2014, changes will be made to the TMHP Electronic Data Interchange (EDI) AnyConnect group selection drop-down menu. The “EDI_VPN” selection will be removed. When logging into the EDI, select “TMHP_EDI_VPN.”

The following screenshot illustrates the “EDI_VPN” option that will be removed and the correct option of “TMHP_EDI_VPN” that will be required to log in:
