Proposed Reimbursement Rates Changes and Updates for Some Procedure Codes to Be Effective July 1, 2014 for Texas Medicaid

Information posted June 6, 2014

Effective for dates of services on or after July 1, 2014, proposed reimbursement rate changes and updates for some procedure codes were presented at a public rate hearing on May 14, 2014.

The following topics were covered at the rate hearing:

- Calendar Fee Review topics:
  - Birthing Centers
  - Eye and Ocular Adnexa Surgery
  - Nervous System Surgery Services
  - Vision Devices and Related Services

- Rate Updates:
  - Orthotics Procedures and Devices Procedure Code L4205
  - Flulaval Vaccine

Providers may refer to the HHSC rate analysis web page at www.hhsc.state.tx.us/rad/rate-packets.shtml for more information about the proposed reimbursement rates changes.
