Medicaid: Beyond the Basics Workshop Participant Guide Has Been Updated and Is Now Available

Information posted June 20, 2014

The Medicaid: Beyond the Basics Workshop Participant Guide has been updated and is now available.

Providers can access the Workshop Participant Guide materials on TMHP’s Learning Management System (LMS) as follows:

1. Click **Provider Education** in the left navigation panel of any provider web page.

2. Once the Provider Education homepage appears, click **Workshop Materials** in the left navigation panel.

3. Log in to an existing account or create a new account. New LMS visitors can access materials immediately after they register.

Providers can access CBT courses and Workshop Participant Guide materials via the LMS at any time.
