

ICD-10 Implementation Deadline Set for October 1, 2015

Information posted August 6, 2015

On July 31, 2014, the U.S. Department of Health and Human Services (HHS) issued a rule finalizing October 1, 2015, as the new compliance date for health care providers, health plans, and health care clearinghouses to transition to *International Classification of Diseases Tenth Revision* (ICD-10). This deadline allows providers, insurance companies, and others in the health care industry time to modify their operations to ensure their systems and business processes are in compliance with ICD-10 by October 1, 2015.

Providers can refer to the [Centers for Medicare and Medicaid Services](#) and the [Federal Register](#) for more information.
