

Some Claims with Medical and Surgical Supplies Procedure Codes to Be Reprocessed for the CSHCN Services Program

Information posted March 17, 2015

TMHP has identified an issue which impacts some Children with Special Health Care Needs (CSHCN) Services Program medical and surgical supplies procedure codes that received an incorrect percentage reduction.

The following affected procedure codes received a two percent reduction instead of an eight percent reduction:

Affected CSHCN Services Program claims with dates of service on or after January 1, 2015, through February 26, 2015, will be reprocessed, and additional reductions will be taken from future payments (i.e., recouped). Any deductions made will reflect on future Remittance and Status (R&S) Reports.

The Online Fee Lookup for CSHCN Services Program procedure codes will be updated and the Adjusted Fee column will reflect the appropriate reduction.
