New HHSC EVV Initiative Reason Codes and Training Materials Now Available

Department of Aging and Disability Services (DADS) staff will conduct an online training webinar for provider agencies on the new HHSC EVV initiative Reason Codes on April 15, 2015. All provider agencies required to use EVV under the HHSC EVV initiative are encouraged to participate in the optional live webinar to learn more about the new HHSC EVV reason codes.

DADS has posted the new HHSC EVV reason codes which will be effective upon implementation of the HHSC EVV initiative. The EVV reason codes can be viewed on the DADS website at <http://www.dads.state.tx.us/evv/reasoncodes.html>.

These new HHSC EVV reason codes will only be available in the new HHSC-approved EVV systems. They should only be used by provider agencies who have implemented EVV under the HHSC EVV initiative.

DADS providers currently using the Santrax EVV system as part of the DADS EVV initiative should continue to use the DADS EVV reason codes until those providers transition to the HHSC EVV initiative.

Providers that wish to participate in this optional training must register for a session by clicking on the appropriate registration link. Additional dates will be posted as they are made available.

A computer connected to the internet and a telephone are required to participate in these webinars.
