Updated ASC X12 835 and ASC X12 270-271 Long Term Care Companion Guides Now Available

Information posted July 24, 2015

Texas Medicaid & Healthcare Partnership has updated the ASC X12 835 and the ASC X12 270-271 Long Term Care Companion Guides. The guides are now available on this website on the Electronic Data Interchange (EDI) web page.

ASC X12 835 Long Term Care Companion Guide

The ASC X12 835 Long Term Care Companion Guide has been updated with corrected information and revisions for clarity and ease of use. Specific updates are listed in Appendix B of the updated 835 Guide.

ASC X12 270-271 Long Term Care Companion Guide

The ASC X12 270-271 Long Term Care Companion Guide has been updated with additions to the 2110C EB05 to include Line of Business. Line of Business refers to a set of one or more types of service (e.g., STAR, STAR+PLUS) for which a particular client would be eligible.
