Effective October 1, 2015, Reimbursement Rate Changes for Gardasil Procedure Code 90651 for DFPP

Information posted October 30, 2015

Note: This article applies only to claims submitted to TMHP for processing. Refer to the Medicaid managed care organizations (MCOs) for information about MCO benefits, limitations, prior authorization, reimbursement, and MCO specific claim processing procedures.

This is a follow-up to the article titled, “Reimbursement Rate Changes and Updates for Some Procedure Codes to Be Effective October 1, 2015, for Texas Medicaid and Expanded Primary Health Care,” which was posted to this website on October 2, 2015.

Effective for dates of services on or after October 1, 2015, Gardasil procedure code 90651 is also a benefit of the Department of State Health Services Family Planning Program (DFPP). The reimbursement rate applied for DFPP is based on the Medicaid rate established through the Medicaid rate hearing process.

The table below includes the reimbursement rate for the new Gardasil procedure code:

<table>
<thead>
<tr>
<th>TOS</th>
