

Additional Immunization Information Available for the CSHCN Services Program

Information posted January 29, 2016

This is an update to the current CSHCN Services Program Provider Manual, section 31.2.18.8, "Preventive Care Services."

The following additional immunization information is available:

- When the client visit is only for immunization, a preventive care visit will not be reimbursed. The administration fee and any vaccine or toxoid not obtained through Texas Vaccines for Children (TVFC) may be reimbursed when diagnosis code Z23 (encounter for immunization) and the appropriate procedure code referencing an immunization is submitted with the claim.

For more information, call the TMHP-CSHCN Services Program Contact Center at 1-800-568-2413.
