Learn About Transitioning Individuals from State Mental Health Facilities to Nursing Homes - Webinar Series Continues

Information posted January 14, 2016

On Thursday, January 21, 2016, the Department of State Health Services (DSHS) will complete the Best Practices for Transition of Care from State Mental Health Facilities to Nursing Facilities webinar series. This webinar series focuses on moving individuals from mental health facilities to nursing homes and is free to attend.

Details for the final webinar in this series are as follows:

Webinar Title — Barriers and Solutions When Transitioning Care from a State Hospital to a Nursing Facility
Date — Thursday, January 21, 2016
Time — 1:00 p.m. – 2:00 p.m.
Intended Audience — Nursing Facilities (NFs), Local Intellectual and Developmental Disability Authority (LIDDAs), Local Mental Health Authorities (LMHAs), and State Mental Health Facilities (SMHFs)
Location — Your computer
Special Guest Speaker — David A. Smith MD, CMD from the Geriatric Consultants of Central Texas, P.A. Dr. Smith is a practicing geriatrician in Brownwood, Texas, and medical director for three long-term care facilities. Dr. Smith also serves on the board of directors for the Central Texas MHMR. He has authored numerous journal articles and book chapters on psychotropic medications and the practice of behavioral medicine in long-term care.

Click here to register now. The webinar will include time for participant questions and answers.
