

## **Clarification of ‘NDCs Identified as Incident to Services Not Appropriately Billed Using Procedure Code J3490’**

Information posted March 9, 2016

This is a clarification of the article titled, "[NDCs Identified as Incident to Services Not Appropriately Billed Using Procedure Code J3490](#)," which was published on this website January 29, 2016.

The clarification is as follows: The National Drug Codes (NDC) terminated as a medical benefit are still available as a pharmacy benefit. The NDCs terminated as medical benefits may still be available as pharmacy benefits if the NDC is on the [Vendor Drug Program formulary at TxVendorDrug.com/formulary/](#).

For more information, call the TMHP-CSHCN Services Program Contact Center at 1-800-568-2413.
