

Correction to Reimbursement Rate Changes Published on April 11, 2016, for CSHCN Services Program

Information posted April 18, 2016

This is a correction to an article titled "[Reimbursement Rate Changes for Some Procedure Codes for the CSHCN Services Program to Be Effective May 1, 2016.](#)" which was published on this website on April 11, 2016.

The original article indicated that the reimbursement rates for Allergy Tests would be effective for dates of service on or after May 1, 2016. The correction is that the reimbursement rates for Allergy Tests will be effective for dates of service on or after June 1, 2016.
