

## **Updated CSHCN Services Program Basics Computer-Based Training (CBT) Course Now Available**

Information posted September 2, 2016

TMHP has updated the CSHCN Services Program Basics computer-based training (CBT) course. Providers can access the CBT course on TMHP's Learning Management System (LMS) as follows:

1. Click the link for the TMHP Provider Education home page:  
[www.tmhp.com/Pages/Education/Ed\\_Home.aspx](http://www.tmhp.com/Pages/Education/Ed_Home.aspx)
2. Click the Learning Management System (LMS) website option at the bottom of the page to go directly to the LMS website. The LMS appears in a new window.
3. Log in to an existing account or create a new account. New visitors to the LMS can take courses immediately after they register.

Providers can access CBT courses on the LMS at any time.
