Taxonomy Code Added for some Medicaid and CSHCN Services Program Providers

Information posted September 30, 2016

On October 1, 2016, TMHP added a new taxonomy code associated with Psychiatry & Neurology, Neocritical Care.

Providers who wish to update their taxonomy codes may do so online by clicking the "[I would like to...](#)" link located in the upper right-hand corner of this website and selecting "Attest a National Provider Identifier (NPI)."

To update taxonomy codes on paper, providers can submit a [Provider Information Change \(PIC\) Form](#) available for download on the [TMHP Forms web page](#).

The following taxonomy code was added:

Provider Type	Taxonomy code
Physician	2084A2900X (Psychiatry & Neurology, Neocritical Care)

Providers can refer to the [Washington Publishing Company website](#) for complete descriptions of the taxonomy codes. For more information, call the TMHP Contact Center at 1-800-925-9126 or the TMHP-CSHCN Services Program Contact Center at 1-800-568-2413.
