Adopted TAC Chapters 18 and 94 Rules Effective September 28

Information posted September 26, 2016

Adopted Texas Administrative Code (TAC) Chapter 18 Rules Effective September 28

The Health and Human Services Commission (HHSC) has adopted amendments to the following rules in 40 TAC Chapter 18 Licensing Standards for Nursing Facility Administrators.

40 TAC Chapter 18 Licensing Standards for Nursing Facility Administrators:

- §18.2, Definitions
- §18.35, Continuing Education Requirements for License Renewal

In addition, HHSC has adopted a new section:

- §18.42, Alternate Licensing Requirements for Military Service Personnel

The rules were published as proposed in the Texas Register on July 8, 2016, and published as adopted September 23, 2016. They become effective September 28, 2016.

You can find the adoption document in the Texas Register issue for September 23, 2016, until September 30, 2016. After that, you can find it in the Texas Register archive.

Adopted TAC Chapter 94 Rules Effective September 28

HHSC has adopted amendments to the following rules in 40 TAC Chapter 94 Licensing Standards for Nursing Aides.

40 TAC Chapter 94 Licensing Standards for Nurse Aides:

- §94.2, Definitions
- §94.11, Waiver, Reciprocity, and Exemption Requirements

In addition, HHSC has adopted a new section:

- §94.13, Alternate Licensing Requirements for Military Service Personnel

The rules were published as proposed in the Texas Register on July 8, 2016, and published as adopted September 23, 2016. They become effective September 28, 2016.

You can find the adoption document in the Texas Register issue for September 23, 2016, until September 30, 2016. After that, you can find it in the Texas Register archive.

Providers, please note, due to the recent transformation to HHSC, you will need to print amended TAC rules directly from the website.
