

## **Children with Special Health Care Needs (CSHCN) Services Program Waiting List Information**

Information posted December 9, 2016

The Children with Special Health Care Needs (CSHCN) Services Program has removed clients from the program's waiting list. The effective date of this removal is December 1, 2016. These new clients received a gray CSHCN Services Program Eligibility Form that indicates the dates they are eligible to receive CSHCN Services Program health care benefits.

When scheduling a client for an appointment, providers should ask the client to bring the eligibility form to the appointment so that a copy can be made for provider records.

For more information, call the TMHP-CSHCN Services Program Contact Center at 1-800-568-2413.
