MDS 3.0 RAI Training Slated for January 10 in Corpus Christi

Information posted December 8, 2016

The Department of Aging and Disability Services (DADS) will have a training course at 8:00 a.m. on January 10, 2017, in Corpus Christi to help new Minimum Data Set (MDS) coordinators get up to speed and offer a refresher for seasoned coordinators.

The training will:

- Cover the key components of the Resident Assessment Instrument (RAI) process.
- Provide a basic knowledge to help navigate the complicated assessment combinations.
- Provide a brief orientation on the new federal regulations related to the Care Plan Process.

The training will be held at the Texas Department of Transportation office, 1701 S. Padre Island Drive, Building II Conference Center.

Register by Jan. 5.
