Privately-Owned NFs That Want to Participate in QIPP Must Submit CHOW by March 2, 2017

Information posted December 27, 2016

Privately-owned Nursing Facilities (NFs) that want to become publicly owned for the purpose of participating in the Quality Incentive Payment Program (QIPP), must submit a change of ownership (CHOW) application to the Department of Aging and Disability Services (DADS) no later than March 2, 2017. In addition, all documentation related to the CHOW is due by March 31, 2017.

The change of ownership information can be found on the "How to Become a Nursing Facility Provider" page on the Texas Health and Human Services (HHS) website.

More details about QIPP, including the required number of days of service and data sources to verify information, is on the QIPP webpage.

Questions can be emailed to QIPP@hhsc.state.tx.us.
