Region 4 MDS 3.0 RAI Training Set for April 11 in Tyler

Information posted February 16, 2017

The Department of Aging and Disability Services (DADS) is hosting an Minimum Data Set (MDS) training course at 8:30 a.m., April 11, 2017, in Tyler to help new MDS coordinators get up to speed, as well as offer a refresher for seasoned MDS coordinators. To get the full benefit of the training, it is recommended that Interdisciplinary Teams (IDTs) attend. The deadline to RSVP is noon April 6, 2017, and attendance is limited. Click here to register.

The training will:

- Cover the key components of the Resident Assessment Instrument (RAI) process.
- Provide a basic knowledge to help navigate the complicated assessment combinations.
- Provide a brief orientation on the new federal regulations related to the Care Plan Process.

The meeting will be at the Texas Department of Health and Human Services office, 302 E. Reick Road in Tyler.
