Region 4 MDS 3.0 RAI Training Set for May 11 in Longview

Information posted April 6, 2017

The Department of Aging and Disability Services (DADS) is hosting a Minimum Data Set (MDS) Resident Assessment Instrument (RAI) training course at 8:30 a.m., May 11, 2017, in Longview to help new MDS coordinators get up to speed, as well as offer a refresher for seasoned MDS coordinators. To get the full benefit of the training, it is recommended that Interdisciplinary Teams (IDT) attend. The deadline to RSVP is noon May 8, and attendance is limited. Click here to register.

The training will:

- Cover the key components of the RAI process.
- Provide a basic knowledge to help navigate the complicated assessment combinations.
- Provide a brief orientation on the new federal regulations related to the Care Plan Process.

The meeting will be at the Community Connections Building, 501 Pine Tree Rd. in Longview.
