Region 5 MDS 3.0 RAI Training Set for May 9 in Lufkin

Information posted April 4, 2017

The Department of Aging and Disability Services (DADS) is hosting a Minimum Data Set (MDS) Resident Assessment Instrument (RAI) training course at 8:30 a.m., May 9, 2017, in Lufkin to help new MDS coordinators get up to speed, as well as offer a refresher for seasoned MDS coordinators. To get the full benefit of the training, it is recommended that Interdisciplinary Teams (IDT) attend. The deadline to RSVP is noon May 5, 2017, and attendance is limited. Click here to register.

The training will:

- Cover the key components of the RAI process.
- Provide a basic knowledge to help navigate the complicated assessment combinations.
- Provide a brief orientation on the new federal regulations related to the Care Plan Process.

The meeting will be at the Angelina College Community Services Building, 3500 South 1st Street in Lufkin.
