Upcoming Training Webinars for Nursing Facility Providers

Information posted April 3, 2017

Texas Medicaid & Healthcare Partnership (TMHP) will offer two live training webinars in April and May 2017 designed to help Nursing Facility providers submit forms and assessments accurately and efficiently on the Long Term care (LTC) Online Portal. These webinars allow providers the opportunity to take advantage of online training that covers LTC Online Portal topics relevant to their daily operations.

During the live webinars, providers will be able to access training materials, submit questions, and participate in the course. All webinars will be conducted by a TMHP Training Services Representative and will include a question and answer session.
