Register Now for OASIS For Clinicians: Medication Items M2001-M2040 Webinar on June 15

Information posted June 1, 2017

Do you want to know more about the OASIS Medication Domain? Then you should plan to attend the webinar OASIS for Clinicians: Medication Items M2001-M2040 presented by the DADS OASIS education coordinators on June 15, 2017, from 10:00 a.m. - Noon, Central Time. Click here to register. This webinar is intended for registered nurses as well as physical, occupational and speech therapists who collect OASIS data. The webinar will review the Chapter 3 Medication domain (Section L) and provide foundational guidance for data items M2001-M2040. Chapter 3 of the OASIS-C2 Guidance Manual will be referenced during the webinar. Printable handouts will be made available by email to participants prior to the webinar.

No continuing education credits or administrator clock hours will be provided.

Questions can be emailed to: JointEd.Services@dads.state.tx.us.
