Upcoming Training Webinar for Nursing Facility Providers

Information posted June 14, 2017

Texas Medicaid & Healthcare Partnership (TMHP) will offer a live training webinar in June 2017 designed to help Nursing Facility (NF) providers submit forms accurately and efficiently on the Long Term Care (LTC) Online Portal. This webinar will allow providers the opportunity to take advantage of online training that covers LTC Online Portal topics relevant to their daily operations.

During the live webinar, providers will be able to access training materials, submit questions, and participate in the course. All webinars will be conducted by a TMHP Training Services Representative and will include a question and answer session.

The following is information on the webinar, including topics, and information on how to register.
