Upcoming Training Webinars for Long Term Care Providers

Information posted October 19, 2017

Texas Medicaid & Healthcare Partnership (TMHP) will offer four live training webinars in November 2017 designed to help Long Term Care (LTC) providers submit forms and assessments accurately and efficiently on the LTC Online Portal. These webinars allow providers the opportunity to take advantage of online training that covers LTC Online Portal topics relevant to their daily operations.

During the live webinars, providers will be able to access training materials, submit questions, and participate in the course. All webinars will be conducted by a TMHP Training Services Representative and will include a question and answer session.

The following is a list of the upcoming webinars offered, included topics, and information on how to register.
