Texas Health and Human Services Commission, Regulatory Services, is drafting amendments, repealing and developing new rules for the Texas Administrative Code, Title 40, Part 1, Chapter 92.

A stakeholder meeting is scheduled from **9-11 a.m. Dec. 1, 2017**, in the Public Hearing Room of the John H. Winters Human Services Complex in Austin. Interested parties can ask questions, make oral comments or submit written comments at that meeting.

Written comments also can be emailed to HHSC by Dec. 22.

The purpose of the rule amendments is to implement SB 924 and establish the redaction fee for the cost of the redacted survey packet that assisted living facilities will be required to pay upon requesting an informal dispute resolution.
