

## **Google Chrome Issue with TMHP Portal Applications**

Information posted Dec. 4, 2017

Google has identified an issue with the most recent version of the Google Chrome browser that could affect users of TMHP portal applications. Users experiencing issues with TMHP portal applications while using this most recent version of Chrome should use either Internet Explorer 11, Firefox, or an older version of Chrome. Google has confirmed a fix for the Chrome issue is scheduled for release on Dec. 5, 2017.
