Reminder: One-month QIPP Reconciliation Period ends Dec. 31, 2017

Information posted December 21, 2017

Nursing facilities participating in the Quality Incentive Payment Program (QIPP) were provided a one-month reconciliation period to ensure a proper amount of time to submit and/or correct Minimum Data Set (MDS) assessments at the end of QIPP Quarter 1 (Sept. 1, 2017 – Nov.30, 2017) for the purposes of receiving payments under Components Two and Three.

This one-month reconciliation period ends Dec. 31, 2017. Please submit all MDS assessments and/or corrections by that date, as the Health and Human Services Commission (HHSC) will run the Quarter 1 quality metric data, which is used to determine if the metrics were met, at the beginning of January 2018.

Send questions related to QIPP to QIPP@hhsc.state.tx.us.
