Register Now for OASIS for Clinicians Webinar on Feb. 7

Information posted January 23, 2018

Are you a new OASIS data collector or would you like a refresher? Register now and learn more about the overview and purpose of OASIS and the conventions used to collect OASIS data.

OASIS for Clinicians: Overview and Conventions presented by the TX OECs provides registered nurses as well as physical, occupational and speech therapists with foundational knowledge on all aspects of OASIS items. Chapters one and three and Appendices A and F of the OASIS-C2 Guidance Manual will be referenced during the webinar; so have these sections of the manual ready to use.

Feb. 7, 2018

10 a.m. Central Time

Click here to register.

The webinar will not be recorded and no continuing education credits or administrator clock hours will be provided.

Questions can be emailed to JointEd.Services@dads.state.tx.us.
