Updated: ALF, DAHS, ICF/IID, NF and PPECC Proposed Rules Stakeholder Meeting Slated for Feb. 9

Information posted February 7, 2018

As part of the proposed licensure rules for ALF, DAHS, ICF/IID, NF and PPECC to implement House Bill 2025, 85th Legislature, Regular Session, 2017, stakeholders are invited to attend the upcoming meeting on Feb. 9, 9:00 a.m. – 12:30 p.m., HHSC Building, Room 164, 909 W. 45th St., Austin.

The draft proposed rules include amendments related to the following:

- Development of a tracking system to record and track the scope and severity of violations for the purpose of assessing administrative penalties or other enforcement actions for ALF, DAHS, ICF/IID and PPECC
- Development of a system for assessing administrative penalties without the opportunity to correct if the violation meets a certain level of scope and severity based on the new tracking system for ALF, DAHS, ICF/IID and NF
- Development of rules related to the training of ALF, DAHS and NF staff who provide direct care to persons with Alzheimer’s disease or related disorders
- Staggered methodology to transition to a three year license period with an applicable licensure fee for ALF, DAHS, ICF/IDD and PPECC
- Clarification of inspection and survey frequency for ALF, DAHS and ICF/IDD

If you are unable to attend the stakeholder meeting, you may submit your comments until COB Friday, Feb. 16, 2018.
