

# **Update to Requirement for Neonatal Level of Care Designation for Hospital Providers Rendering Neonatal Inpatient Services**

Information posted August 31, 2018

This is an update to the article titled, "[Neonatal Level of Care Designation Required for Hospital Providers Rendering Neonatal Inpatient Services](#)," which was published on this website on July 6, 2018. The required start date for the neonatal level of care designation requirement for hospital providers that render neonatal inpatient services is now October 1, 2018. The affected neonatal services are applicable for Texas Medicaid and Children with Special Health Care Needs (CSHCN) Services Program clients.

For details about the requirements, providers can refer to the previous article titled, "Neonatal Level of Care Designation Required for Hospital Providers Rendering Neonatal Inpatient Services."

For more information, call the TMHP Contact Center at 1-800-925-9126 or the TMHP-CSHCN Services Program Contact Center at 1-800-568-2413.
