

Electronic Visit Verification (EVV) Providers Transitioning To Datalogic

Information posted August 21, 2018

By **September 30, 2018**, all providers transitioning to DataLogic Vesta EVV from MEDsys VinCENT must be fully transitioned.

If you do not have an official transition date, contact DataLogic immediately at info@vestaevv.com.

Providers who do not select an official transition date by **August 31, 2018**, will have a transition date assigned.

The last day to retrieve visit reports or perform any visit maintenance within the MEDsys EVV system will be **October 28, 2018**.

For more information about transitioning from MEDsys to DataLogic, [click here](#).

For questions regarding this alert, contact [HHSC EVV Operations](#).
