HHSC has issued this letter to announce that TULIP, a new web-based licensure system designed specifically for licensed long-term care providers, will launch on September 4, 2018. Once TULIP is implemented, license holders (providers) will conduct all licensure activities online and HHSC will phase out paper applications. This letter also provides information about an upcoming kick-off meeting, training opportunities, important deadlines for providers, and information related to TULIP’s benefits and features.
